CONCLUSION: COMPETITORS ARE VERY SIMILAR

Interviews

Female, aged 35

WHY TRAVELS

- * Travels for enjoyment
- * Likes to filter by ratings and reviews
- * Compares prices, one website
- * **Frustrations:** Had to cancel room due to age restrictions varying on travel booking site and hotel site

Female, age 41

WHY TRAVELS

- * Travels for enjoyment
- * Gets rewards through Southwest
- * Looks for reasonable prices
- * **Frustrations:** Cancelled flight affected trip itinerary causing to reschedule various travel plans

Female, age 51

WHY TRAVELS

- * Travels for enjoyment
- * Looks for flights under \$500
- * No preference in site; looking for best price
- * **Frustrations:** Bad experience at hotel that had a three-star rating

Personas

Persona

Ana Petrov

Age: 42

**Job: Operations Manager at a mid-size
Bicycle and gear company**

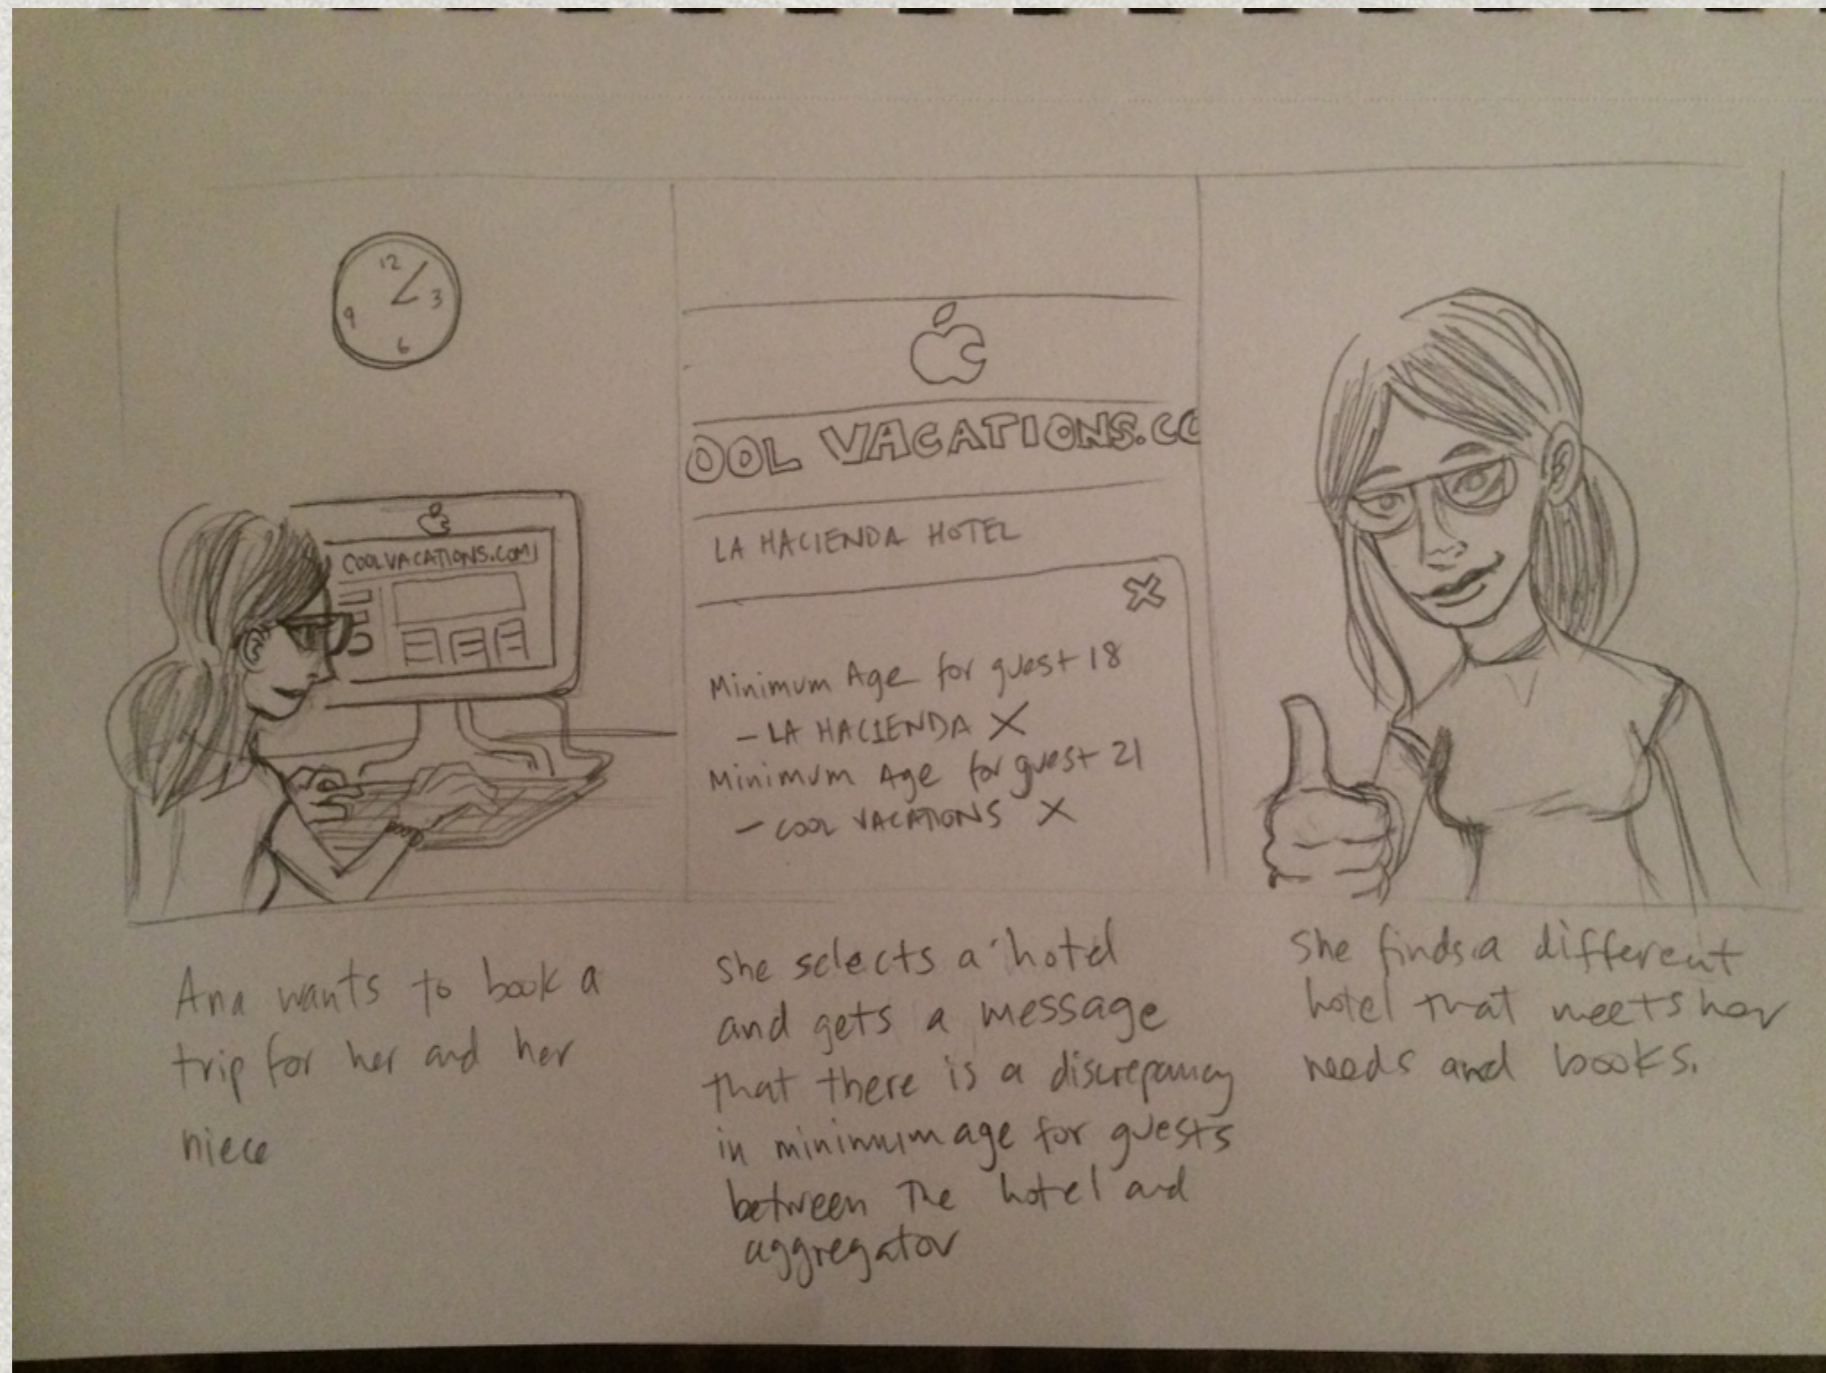

Marital status: Married

Location: San Francisco Bay Area

She's a hard working Operations Manager at a mid-size company in San Francisco. She travels on average 2.5 times a year for enjoyment; looking to find good prices and claim rewards by booking at her preferred booking site. At times, when on her trips, will work remotely, and finding accommodations with consistent wifi service are important to keep in touch with the office when needed.

Storyboard

Scenarios

- * Has had experiences with cancelled flights
- * Has had to cancel trips for not being given complete information about an accommodation.
- * Frustrations have stemmed from booking a cheaper hotel with decent ratings, to find the hotel was dirty, had bedbugs or other pests and less than adequate wifi to work remotely.

User Stories + Features

User Story

- * Ana Petrov is looking to ensure she is not disappointed with her purchase decision

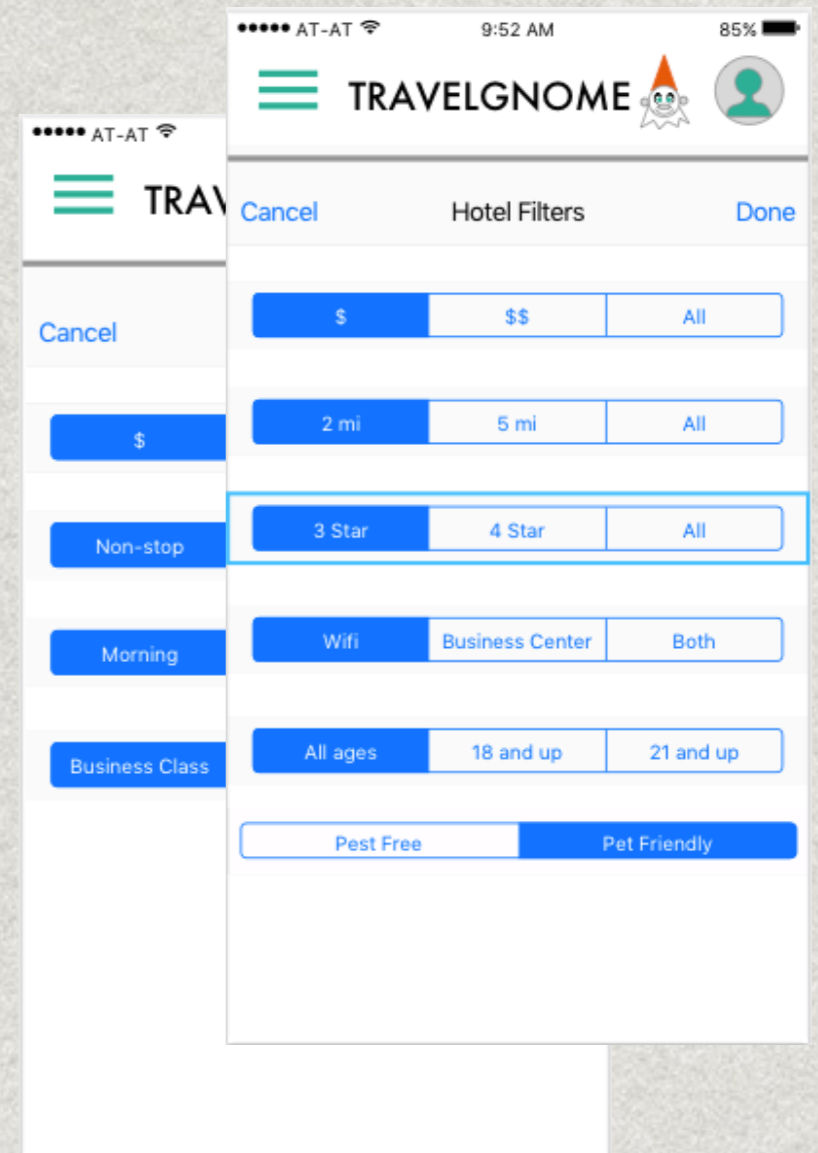

User Tasks

IMAGINE YOU ARE TRAVELING TO LAS VEGAS...

- * Purchase a flight for two adults in the morning

Usability Test

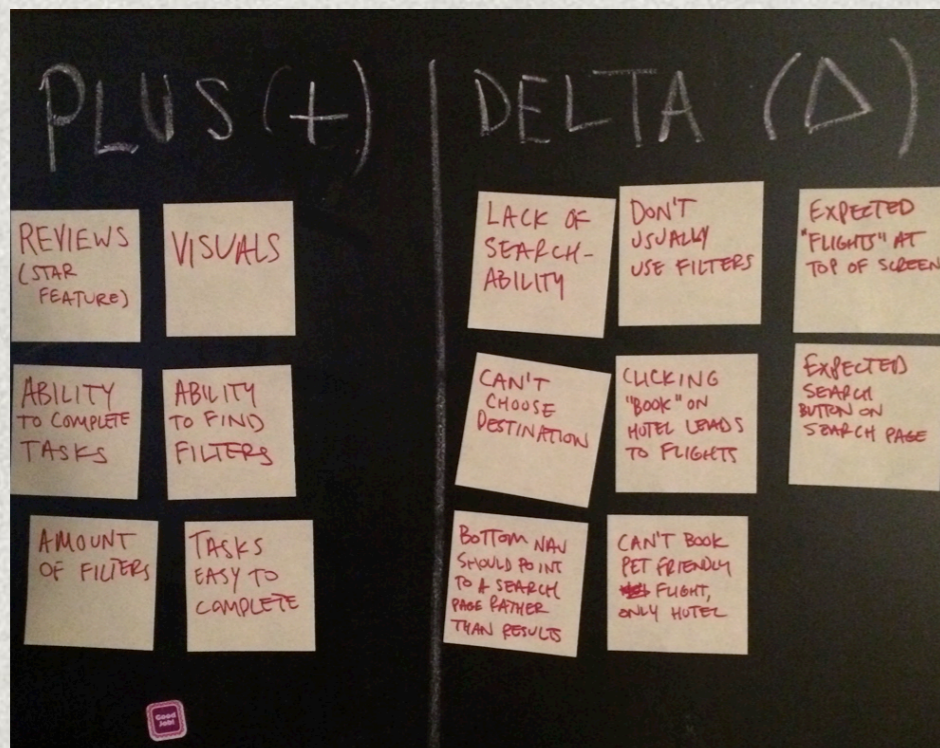

Results

PLUS

- * Reviews
- * Visuals
- * Completing tasks
- * Using Filters

DELTA

- * Lack of searchability
- * Doesn't use filters
- * Can't choose destination
- * Expected "flights" at top of screen
- * Expected search button on search page
- * Can't book pet friendly flight
- * Bottom nav should point to search not results

Modifications post usability

- * Added search button to flight and hotel search
- * Added pet friendly filter on flight filters
- * Linked hotel and flight nav to hotel and flight search screens
